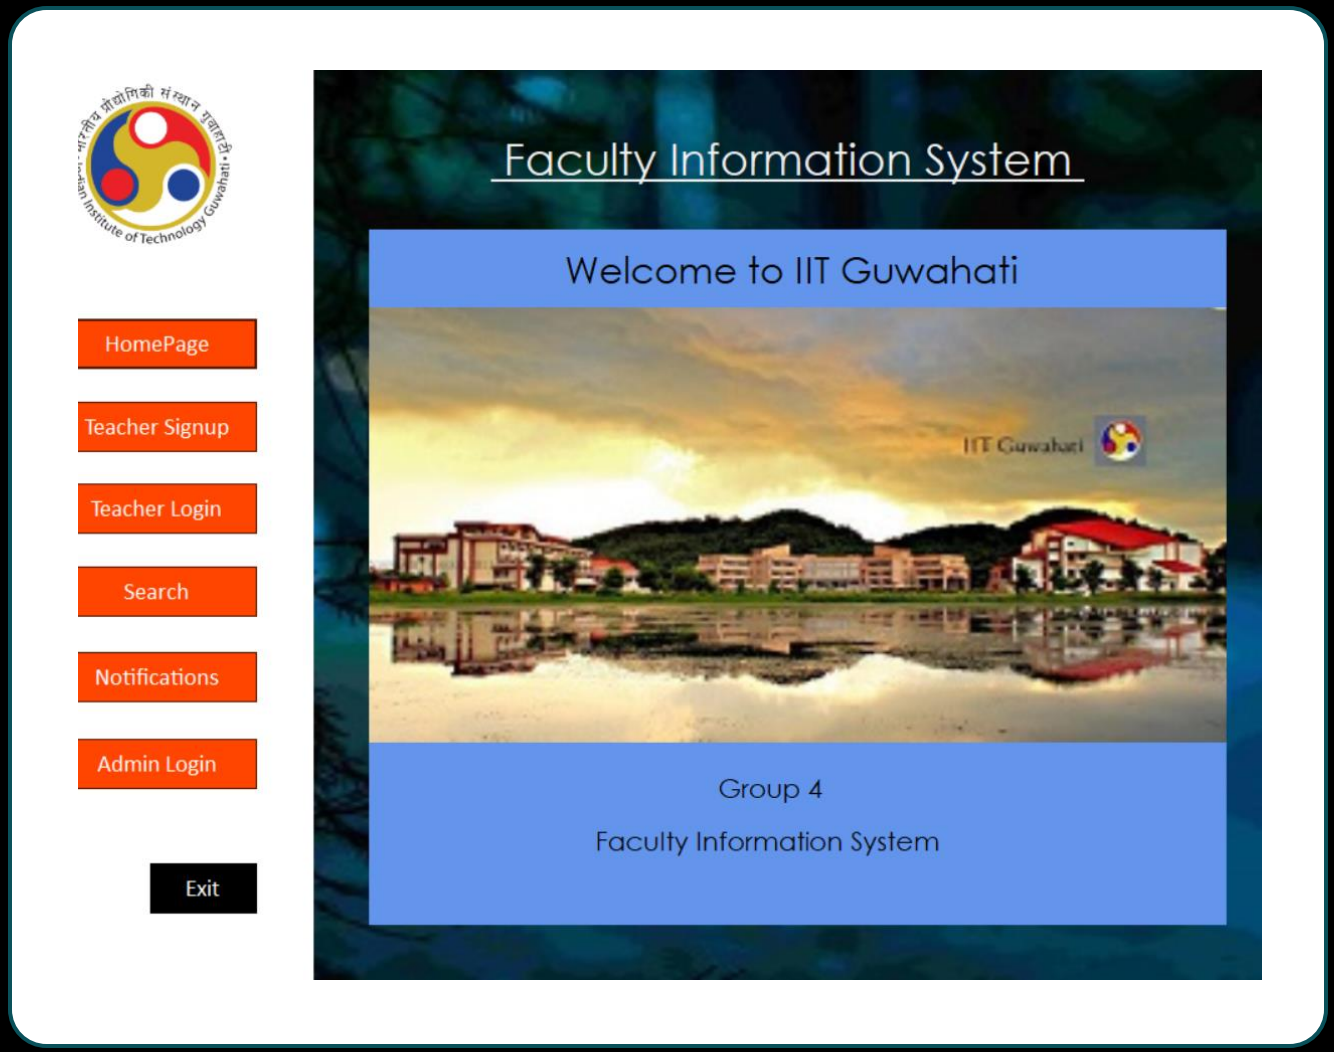
Faculty Information System

Group 4

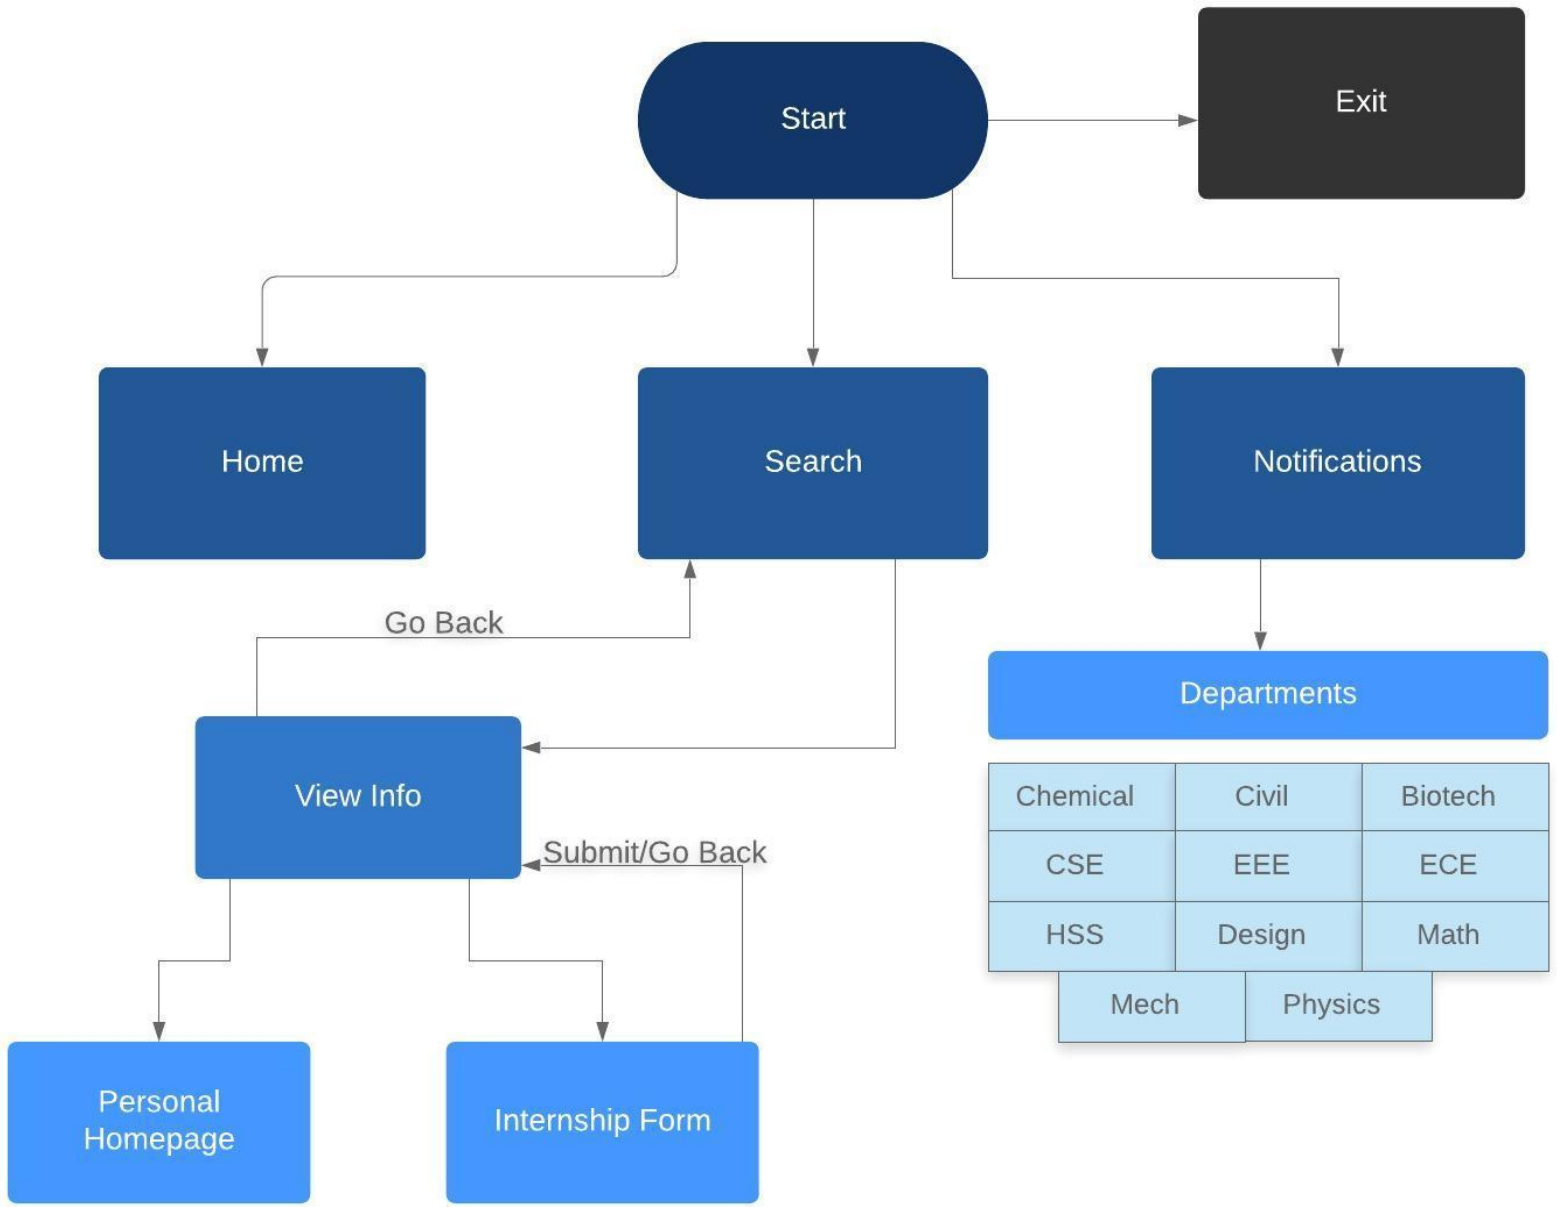
Udbhav Chugh : 170101081
Aman Mishra : 170101005
Chirag Gupta : 170101019
Mani Mannampalli : 170101036
Pranshu Srivas : 170101048
Rashi Singh : 170101052

Introduction

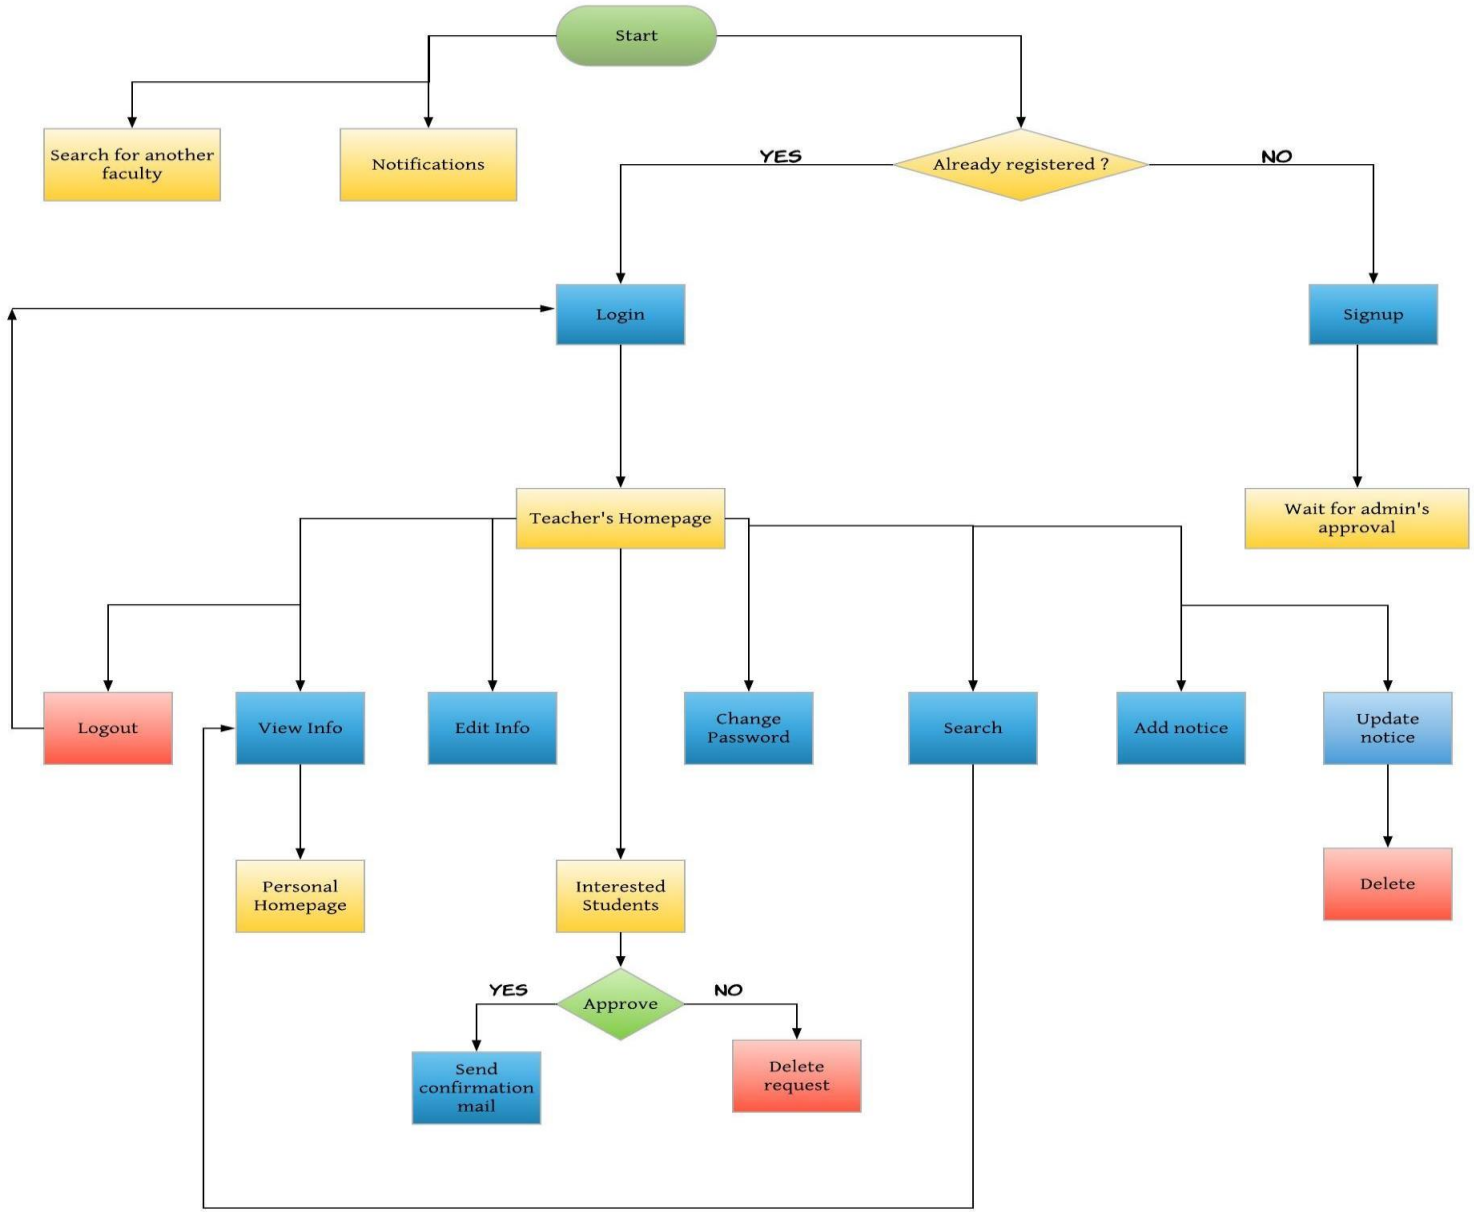
- An interface to find the required information about faculty members of IIT Guwahati via a search utility.



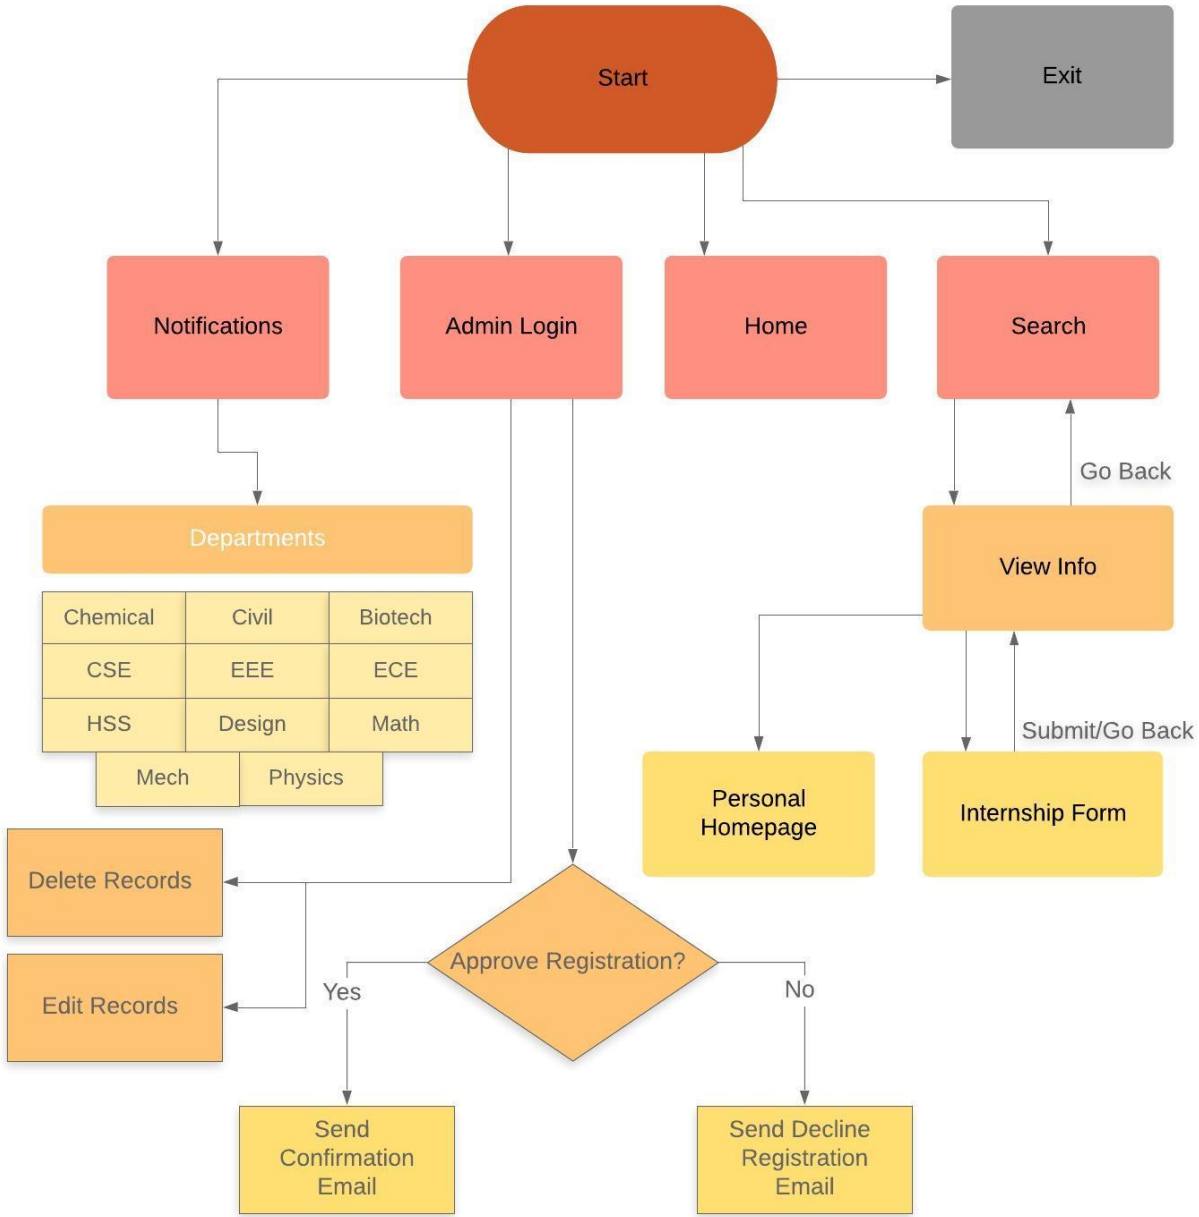
Student Flowchart



Teacher Flowchart



Admin Flowchart



Scope of this Software

In-Campus

- Can be utilized as a generalized software for all the faculty members from all the departments, with a unified database.

Out of Campus

- Can be altered with minimal changes to cater to the needs of not only educational institutions, but any organization from different sectors.

Possible Features for future updates

Currently working on local machine, can be implemented to work from remote server.

A possible extension of login/sign-up feature for students

A unified platform to view current courses a student is registered in, along with the availability of all the course materials on a single platform.

Personalized student homepage, with the utility of panel showing all the professors he is interested for doing an internship under, to send the internship request later.

A list of professors who have accepted the student's internship offer.

Thank You For watching
